

# REVIEW REPORT

## Cricbuzz

### Review Summary:

- It is not showing the live commentary
- It'd need to add live android tv links and some fantasy games
- Score cards are not properly updated
- Auto refresh problem
- Doesn't display women's cricket records,stats etc.
- Too many pop-ups
- Full of advertisement

## Dream 11

### Review Summary:

- Point system incorrectly udated
- Didn't get the withdrawal money
- Wrong player update
- Wrong point updation
- Didn't get refund
- Bank verification problem

## Hotstar

### Review Summary:

- we can't set default quality of video for some matches
- Video gets stucked randomly and plays in small window on a corner sometimes
- Unable to stream matches while talking on the call
- Errors while playing in smart TV
- full screen (landscape mode) is not actually full sceeen.
